Lewisville United Methodist Church

Welcome to Lewisville United Methodist Church

We are so glad you have chosen to worship with us this Sunday! At Lewisville United Methodist Church we strive to live out our mission of making disciples of Jesus Christ by being a family where all people are welcomed, loved, empowered, and transformed by God's grace. We hope you will feel welcome and will encounter God's presence during worship today.

New Here? Stop by the Welcome Desk in the Narthex to connect with one of our greeters. We have a gift bag for you and would love to meet you. Have you visited with us before? Please fill out the back of the Opportunity Form and place it into the offering box so that we can connect with you this week.

Worshiping with Kids? The presence and noises of children are welcome in all of our worship services! You are welcome to keep your children with you at your seat for worship. There is a staffed Nursery available during both worship services for our youngest children. Please see an usher for directions on how to get there. Children and their families are also welcome to sit in the Prayground located at the back of the Sanctuary. This flexible seating area has quiet activities and room for the wiggles. We ask that families please supervise their children while in the Prayground.

Hearing assistance devices are available in the Sound Booth located at the back of the Sanctuary.

Restrooms are located to the right and down the hallway from the interior Sanctuary entrances. An usher will be happy to show you where they are.

Interested in Sunday School? We have a Sunday School class for every age and stage of life. Sunday School starts at 10:00am each Sunday. Stop by the Welcome Desk for more details.

He will be missed by all who knew him.
